

SUMMER SOCCER SCHOOL AT THOMPSON PARK IN UPPER ARLINGTON

JULY 7th- 11th, 2008: The Summer Soccer School Staff is ready to bring you its 21st year of soccer fun and exciting training! Our proven curriculum will feature a skills learning environment in the early session, with a competitive game-tournament style, for the after lunch session. I'm proud to say that our staff has been developing youth soccer players in Central Ohio for over twenty years!

HOW DO WE IMPROVE YOUR SKILLS?

Each skill and technique will be thoroughly demonstrated by the staff to "paint the picture," for our young soccer players. Campers will then have the opportunity to apply their acquired skills in group training sessions and exercises. In the after lunch game session, campers will have a chance to "show their stuff," in a challenging tournament format. Awards will be given for standout performances.
