

SUMMER SOCCER TOTS

In conjunction The Summer Soccer School, the staff will also offer a **Summer Soccer Tots** program to the community!

This entry level section will be for our youngest of campers (ages 3 and 4), and will introduce the beautiful game of soccer through fun activities in an enjoyable 1 hour learning environment!

Parents, this is a great opportunity to get your kids involved in a group exercise and interacting with others. One hour per day for the entire week we will provide a structured program with fun being the most important element!

Lessons will be geared to introduce the basics of foot skills and allow the kids to run around and play organized soccer related activities.

It is strongly recommended that your child be potty trained before enrolling in this program. A responsible party is also expected to remain on the park grounds for this one hour session.
