

Eastside 2024-25 Soccer Sponsorship

To Whom It May Concern:

The Eastside High School Soccer Program is currently seeking sponsors for the 2024-25 season. As a business in the area, we wish to present you with an opportunity to promote your business while helping a highly motivated group of young people reach their athletic potential. It is our goal as a program that no player will be fiscally disadvantaged for playing a game that they love while they are here at Eastside High School. Your participation as a sponsor can help make that goal a reality.

Our sponsor signs are **\$300 new** and **\$175 for future renewals**. The sponsorship signs will consist of your business' logo that will be posted on the fencing around the soccer stadium where it will be seen by many parents and spectators. All funds must be paid either via business check, cash, or venmo (eastsidemenssoccer@gmail.com).

In addition to the signs, your sponsorship will be recognized on our website at **eaglessoccer.org**. We will display your business name & logo to our website visitors and also provide them with additional information, like links to your business website or social media accounts.

The funds raised from your contributions will be used for game and practice equipment, playing expenses, and funding for a new locker room as well as outfitting our players in their uniforms. In addition, the funds will be used for general expenses such as travel.

For more information, please contact our Boys Head Coach, Jabari Bennett, at **bennett.jabari@newton.k12.ga.us**.
